CANINE SUPPLEMENT

ALL WEIGHT RANGES

7 DAYS A WEEK

DevCor™+Mobility Pro is a proprietary blend of Corydalis, Devil's Claw, Boswellia and Bromelain that supports mobility and flexibility in animals experiencing discomfort due to everyday activity.

CAPSULES

RECOMMENDED FOR:

- » Dogs and cats suffering from recurring joint discomfort
- » Active and working dogs prone to joint tears and tissue damage

DevCOR™+Mobility Pro is a formula that addresses acute joint discomfort in cats and dogs.

INGREDIENTS OF INTEREST:

» **Corydalis**

Corydalis has been studied for its swift response in helping the body deal with joint discomfort. In laboratory research, it has demonstrated numerous actions on the central nervous system, including joint comfort. Tetrahydropalmatine (THD) is the alkaloid responsible for the pharmacological action of corydalis.

» **Devil's Claw**

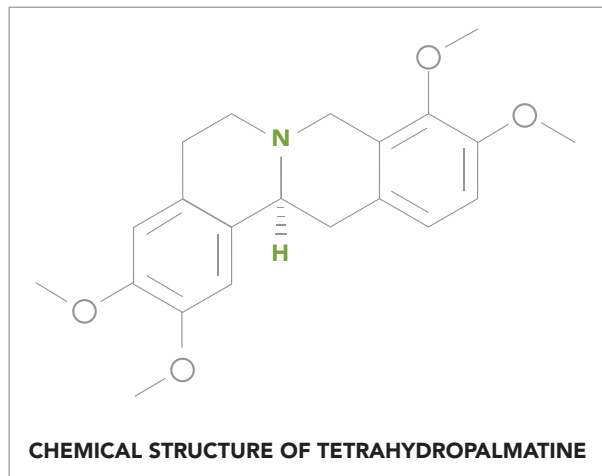

Devil's Claw has been used for thousands of years in Africa for fever, joint discomfort, and skin conditions. It supports joint flexibility and comfort because of its ability to promote the production of favorable prostaglandins and leukotrienes.

» **Boswellia serrata**

Boswellia serrata maintains proper prostaglandin levels and helps the body manage 5-lipoxygenase chemicals and leukotriene synthesis. Boswellia also provides antioxidant protection and supports the immune system.

» **Bromelain**

Bromelain is a proteolytic enzyme that breaks down fibrin, which promotes healthy blood flow. It also supports joint comfort by helping the body inhibit the prostaglandins that contribute to discomfort.

DIRECTIONS FOR USE:

Under 10 lbs: ¼ capsule twice daily
10-20 lbs: ½ capsule twice daily
21-50 lbs: 1 capsule twice daily
51-100 lbs: 2 capsules twice daily
Over 100 lbs: 3 capsules twice daily

Use as needed for maximum comfort for pets with limited mobility and flexibility.

ACTIVE INGREDIENTS PER 2 CAPSULES:

Proprietary Blend 1400 mg
[*Corydalis yanhusuo* Rhizome, Devil's Claw (*Harpagophytum procumbens*) Extract, *Boswellia serrata* Extract, Bromelain]

Inactive Ingredients: microcrystalline cellulose, vegetable cellulose (capsule), vegetarian leucine.
