FELINE FORMULA

ALL AGES

7 DAYS A WEEK

Feline Senior Vitality Pro contains Perna and Omega 3 fatty acids to support joint function and mobility. Choline and Theanine have been shown to improve cognition in aging cats. DMG and Resverasyn® promote a normal inflammatory response, vitality and overall healthy aging.

CHICKEN LIVER FLAVOR

RECOMMENDED FOR:

- › Senior cats prone to age-related health concerns
- › Senior cats with lack of energy and vitality
- › Overall healthy aging for all felines

1.800.882.9993 | www.vetriprouline.com

Feline Senior Vitality Pro is recommended for senior cats eight years and older to address common health concerns such as cognitive dysfunction, inflammation, joint mobility, immune and digestive functions.

INGREDIENTS OF INTEREST:

- › **Perna canaliculus (GlycOmega™ brand Green-Lipped Mussel):** *Perna canaliculus* is a natural source of chondroitin 4 and 6 sulfates, hyaluronic acid, essential and non-essential amino acids, naturally chelated minerals, vitamins, and omega 3, 6 and 9 fatty acids. These important nutrients support synovial fluid viscosity, flexibility, and tensile strength of the articular cartilage. Extensive clinical use in dogs, cats, and horses has demonstrated improved mobility, range of motion, and comfort level of the animals.
- › **N,N-Dimethylglycine HCl (DMG):** Referred to as a “metabolic enhancer,” DMG has been shown to improve cellular metabolism when the body is under duress.
- › **Taurine:** Supports cardiac health, minimizes loss of potassium and regulates proper use of electrolytes. Taurine also provides antioxidant support to benefit the immune system.
- › **Resverasyn®:** In its natural state, Resveratrol is a water soluble molecule that can’t effectively cross the lipid bilayer that forms the cell membrane. Resverasyn® is a proprietary resveratrol ingredient that has been micronized and encapsulated to support proper absorption or utilization.
- › **Omega 3:** Omega-3 fatty acids from fish oil is important for brain health and normal brain functions. Omega-3 fatty acids also help support skin elasticity and texture.
- › **Choline:** An essential nutrient that supports liver and nerve function, brain development and muscle movement. It also helps maintain energy levels and a healthy metabolism.
- › **L-Theanine:** Supports calm behavior and the reduction of irritability and low mood states. L-Theanine has been extensively researched for its ability to reduce stress, anxiety, and unwanted behavior. L-Theanine is a naturally occurring amino acid found in green tea.
- › **GanedenBC³⁰®:** The first and only probiotic ingredient to be non-GMO verified by the Non-GMO Project. In addition, GanedenBC³⁰® is the first probiotic to show protein utilization benefits, and it is FDA GRAS and USP Monograph listed.
- › **Vitamin E:** An antioxidant that’s essential for protection against oxidative stress and free radical damage.
- › **Vitamin B12:** Benefits the central nervous system and production of red and white blood cells.

DIRECTIONS FOR USE:

Give 1–2 chews daily.

GlycOmega™ is a Trademark of Aroma New Zealand LTD.

Resverasyn® is a registered trademark of Biological Prospects® LLC.

PRODUCT FACTS:

Active Ingredients per 2 Chews:

<i>Perna canaliculus</i> (GlycOmega™ brand Green-Lipped Mussel)	300 mg
N,N-Dimethylglycine HCl (DMG)	125 mg
Resverasyn®	71.5 mg
